CONFIDENCE MATTERS!™ — THE HERO IS WITHIN

DW Starr brings confidence to life as Superhero Confidence Crusader™ through his live, energetic, audience-interactive CONFIDENCE MATTERS! one-man show. Storytelling, humor, inspiration, and “a little magic” help teens and young adults discover THE HERO IS WITHIN.

DW's VCC Empowerment Code helps them create their own Virtual Confidence Coach. When facing a challenge, they ask, “What would my VCC do?” His ACT AS IF Model and HERO-STEP give them ways to turn that inspiration into everyday action. Tools they can start using tomorrow.

“Powerful. Professional. Persuasive.
Authentic. Glad you were here.”

Dr. Manuel S. • Vice Principal

“I now believe THE HERO IS WITHIN is true.”
